

TOYOTA

C-HR PLUG-IN HYBRID

PRODUCT GUIDE

Effective from **May 2025**

TOYOTA C-HR PHEV

Rules are made to be broken. Impossible to ignore, the new Toyota C-HR fuses coupe and crossover design elements into an original and distinctive silhouette.

Purposeful in its stance but with the streamlined profile of a coupe, it looks like no other car. The precise character lines, sleek headlights and elegant rear light bar remove all doubt: the concept car is ready to hit the road.

Welcome to the next level Plug-in Hybrid experience.

TOYOTA C-HR PHEV SPORT

SAFETY

Toyota Safety Sense 3

- Acceleration Suppression at low speed
- Adjustable Speed Limiter (ASL)
- Anti-jam protection on power windows
- Anti-lock Braking System (ABS) with Electronic Brake force Distribution (EBD)
- Blind Spot Monitor (BSM)
- eCall emergency call system
- Emergency Brake-light Signal (EBS)
- Emergency Driving Stop System (EDSS)
- Emergency Steering Assist on Pre-Collision system (day)
- Front-to-front Oncoming Car & Motorbike detection (day) on Pre-Collision system
- Hill-start Assist Control (HAC)
- Intelligent Adaptive Cruise Control (iACC)
- Intelligent Front Parking Sensors with Automatic Braking
- Immobiliser
- Intrusion alarm
- Lane Trace Assist (LTA)
- Power door lock
- Pre-Collision System with Pedestrian & Daytime Cyclist and Motorbike detection
- Rear Cross Traffic Alert (RCTA)
- Rear parking sensors (4)
- Rear-view camera
- Road Sign Assist (RSA)
- Safe Exit Assist (SEA)
- Supplemental Restraint System (SRS) airbags - 3 airbags
- Tyre Pressure Warning System (TPWS)
- Vehicle Stability Control (VSC)

EXTERIOR & VISIBILITY

- Automatic High Beam (AHB)
- Automatic Rear Flashing Hazard Lights (ARFHL)
- Body-coloured door handles
- Body-coloured front bumper
- Body-coloured roof
- Daytime running lights (LED)
- Dusk sensor
- Follow-me-home headlights
- Front and rear fog lamps (LED)
- High-mounted stop lamp (LED)
- LED rear brake lights
- Body-coloured rear spoiler
- Rain sensor
- Rear combination lamps (LED)
- Rear window defogger
- Reflector LED headlamps

BATTERY AND CHARGING

CHARGING 'PLUG AND PLAY'

Charging the C-HR PHEV is easy and safe, with multiple charging options to meet customer needs in every situation.

TOYOTA HOMECHARGE **EVERYDAY**

A wall-box can be installed at customers' homes or offices for efficient charging:

Home/Public - 2.5 hours at 32A with 7kW OBC

HOUSEHOLD PLUG **IF NECESSARY**

Charging from a home socket is possible but takes considerably longer, up to 6.5 hours at 10A.

RANGE

EV BATTERY RANGE Up to 66 km *

FUEL & EV RANGE Up to 944 km *

*Tested according to WLTP Regulations. EV Range varies according to environmental and internal factors

KEY ACCESSORIES

TOYOTA C-HR CARE PACK

BOOT LINER

Tailored to fit the boot of your vehicle and provide protection against dirt and spills.

VALET KIT

Glass cleaner, dashboard care, de-icer, fabric cloth and a branded storage case.

LOCK NUTS

Replacing one nut on each wheel with a Toyota hardened steel wheel lock will maximise security for your valuable alloys.

TOYOTA HOMECHARGE

TOYOTA HOMECHARGE

Is the fastest and most convenient way to charge your plug-in hybrid at home. The Toyota HomeCharge electric vehicle charger is the only charger compatible with the MyToyota App. Contact your dealer for pricing.

Scan the QR Code for more information on accessories.

DISCOVER PLUG-IN HYBRID

Plug-in Hybrids combine electric power and a petrol engine in one advanced powertrain. With a bigger battery plus the option to charge, Plug-in Hybrids offer increased pure-electric driving capability in EV mode than regular hybrids. The petrol engine also makes them ideal for longer trips.

Refuel as usual

Refuelling your Plug-in Hybrid is easy. Top up with petrol as normal at filling stations to drive the combustion engine.

Easy charging

A wallbox will help deliver fast and hassle-free charging at home. You can also charge your Toyota Plug-in Hybrid at home from a standard power supply. And on the move you can use the public charging network.

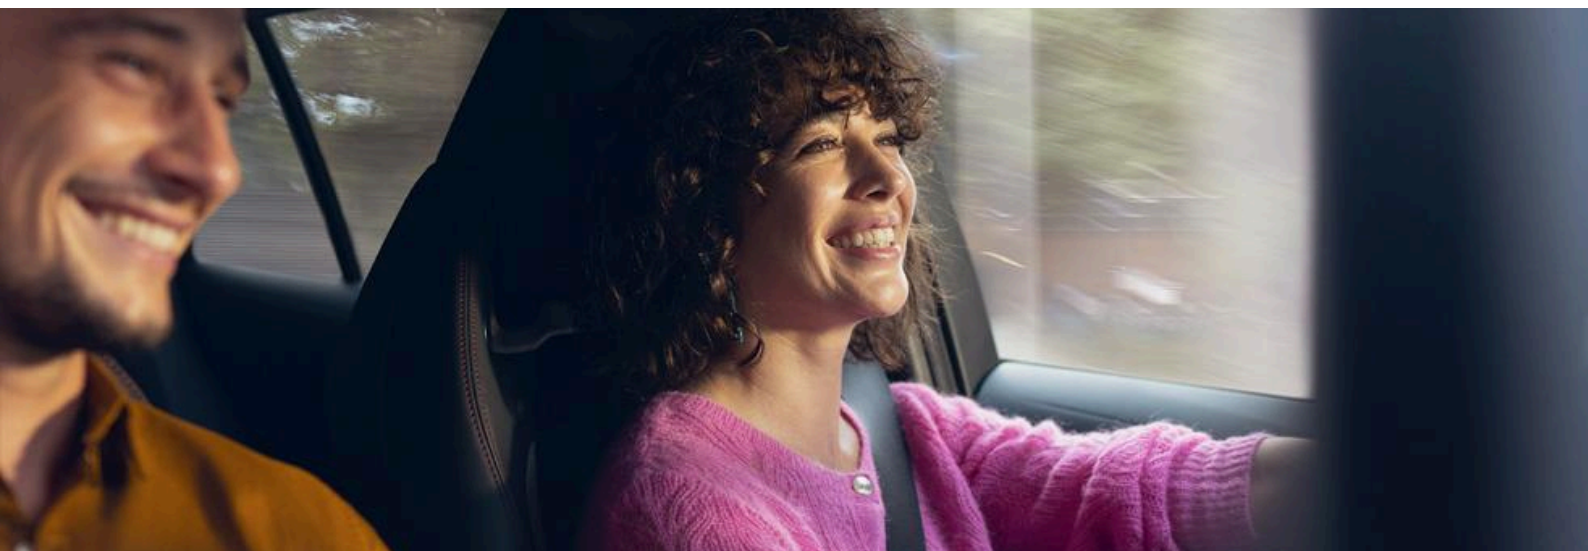

Lower emissions

With the ability to travel further than Hybrids on electric power alone, Toyota's Plug-in Hybrid cars can cover local trips in EV mode, using no fuel and with no tailpipe emissions. Emissions may be associated with other aspects of the car's life cycle, such as tyre and brake wear.

Scan the QR Code to learn more about Toyota Plug In Hybrid!

ALWAYS ON THE GO, ALWAYS CONNECTED

The intelligent cockpit keeps everything in sync between your car and smartphone. Designed to make driving easier, the My Toyota App on your smartphone opens up a world of connectivity. Depending on the model, check your car's battery level, schedule charging and view trip data. Schedule remote A/C to cool and heat your vehicle before driving.

Scan the QR code to learn more about the MyToyota App.

TOYOTA SAFETY SENSE

Toyota Safety Sense features a set of five active technologies with the ultimate goal being to reduce traffic accidents as much as possible, helping to create a safer driving environment for everyone, while supporting you in your daily journey.

Pre-Collision System

Recognizes a potential head-on impact and a wide range of objects in the car's path, including pedestrians, cyclists and motorcycles.

Lane Departure Alert

The lane-centring function will alert the driver if the vehicle starts to deviate from its lane.

Automatic High Beam

Designed to optimise visibility during night driving by automatically switching between high and low beam for oncoming vehicles and leading traffic

Road Sign Assist

Monitors the road signs ahead, displaying useful information such as the current speed limit.

Adaptive Cruise Control

Drivers can choose their cruising speed at a pre-set distance from the vehicle in front. If this distance falls, the system will reduce its speed.

MANUFACTURER'S WARRANTY

For peace of mind Toyota manufacturer's warranty ensures that every trip runs smoothly with:

Manufacturer Warranty

- 3yrs/100,000km - Manufacturers Warranty
- 5yrs/100,000km - All Hybrid Components
- 12yrs/unlimited mileage - Corrosion Perforation

Hybrid Warranty

- 5yrs/100,000km - All Hybrid Components (Including Hybrid Battery)
- Up to 15yrs/unlimited mileage Hybrid Battery Warranty once serviced with a Toyota Dealer

Roadside Assistance

3 years of roadside assistance with Toyota Eurocare in the case of:

- Mechanical breakdown
- Accident
- No fuel
- Flat battery
- Flat Tyre
- Key lost or locked in

Call Toyota Eurocare on 1800-741-700 or from abroad +353 1 6193640

For further warranty details or recovery services contact your local Toyota Dealer.

TOYOTA RELAX

Toyota Relax is a testament to the confidence we place in the quality of our vehicles. After your manufacturer's warranty finishes, you can still feel complete peace of mind, with a new 12 month or 15,000km Toyota Relax warranty if you service your vehicle with us. So you can rest assured that your car is in safe hands with expert technicians, who only use genuine parts. So your Toyota stays 100% Toyota.

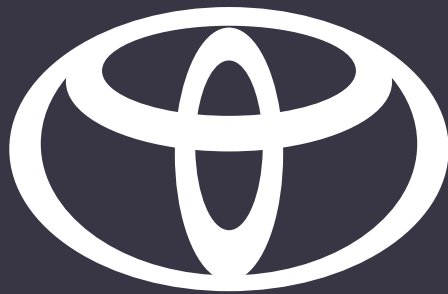

If you choose to service with us, you are eligible for a new Toyota Relax warranty - up to 10 years vehicle age or 185,000km (whichever comes first) after the expiration of the manufacturer's warranty. See Toyota Website (www.toyota.ie/relax) for more details.
